NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Tuesday, November 28, 2023:

MINUTE entry before the Honorable Steven C. Seeger: Pretrial conference regarding the damages phase (Phase II) held on November 28, 2023. The Court issued a number of oral rulings on pending motions, as explained in the minute orders to follow. The Court encouraged the parties to work together cooperatively and try to reach a stipulation about the amount of the purchases that Plaintiffs made from Defendants and the two co-conspirators. The Court entertained a lively discussion of Plaintiffs#039; damages theory, especially as it relates to the anticipated testimony of Dr. Baye and Defendants' pending motions for a directed verdict. In particular, the Court discussed the fact that the damages theory depends on a supply restriction by participants in the UEP Certified Program, including non-defendant non-conspirators. Mailed notice(jjr,)
